SAMPLE NOT DRAWN BY SGS INDIA PVT. LTD.

Sample / Report No : CG25-002122.001-A-R01
ULR No : TC500625000002730F
Report Control No : CGR0001908100

Issue Date : 24/02/2025
JOE No : CG25-002122

Customer Provided Information

Sample Name : RICE

Customer Name : AGWISE AI TECHNOLOGY PRIVATE LIMITED
Customer Address : Villa NO 121, Reliance, Mokila Village
 : Shankarpalli
Postal Code : 501203
State : Telangana
Country : INDIA
Sample Qty. Recd. : APPROX. 350G
Mark on sample : KNM 1638

Lab Provided Information

Sample Type	:	RICE
Received on	:	29/01/2025
Registered on	:	29/01/2025
Test Start-End Date	:	29/01/2025 - 31/01/2025

Product Group : Food & Agricultural products

This Report/Certificate cancels and supersedes the Report/Certificate No CG25-002122.001 dated 1/31/2025 (MM/DD/YYYY)
issued by SGS India

"This document is issued by the Company subject to its General Conditions of Service printed overleaf, available on request or accessible at <http://www.sgsgroup.in/Service-Terms> and, for electronic format documents, subject to Terms and Conditions for Electronic Documents at www.sgs.com/terms_e-document.htm. Attention is drawn to the limitation of liability, indemnification and jurisdiction issues defined therein. Any holder of this document is advised that information contained hereon reflects the Company's findings at the time of its intervention only and within the limits of Client's instructions, if any. The Company's sole responsibility is to its Client and this document does not exonerate parties to a transaction from exercising all their rights and obligations under the transaction documents. This document cannot be reproduced except in full, without prior written approval of the Company. Any unauthorized alteration, forgery or falsification of the content or appearance of this document is unlawful and offenders may be prosecuted to the fullest extent of the law. The laboratory shall be responsible for all the information provided in the report, except when information and instruction for specific scope of testing is provided by the customer."

Unless otherwise stated the results shown in this test report refer only to the sample(s) tested and such sample(s) are retained for 07 days (in case of perishable items) and 30 days for all other samples from the date of issue of report. The samples from the regulatory bodies are to be retained as specified.

Statement of conformity, wherever required or provided, is based on comparison of measurement result(s) with the applicable limit(s) according to the specification in the respective standard or as shared by the customer. Measurement Uncertainty is not taken into account unless otherwise requested in writing.
